

CAMP HILL MINI HUNTER TRIALS 2018

Sun 20th May, Sun 3th June, Sun 15th July, Sat 11th August, Sun 16th Sept.

These Hunter Trials are designed to increase the confidence of both horse and rider. They can be used to help young riders, on or off the lead rein, develop their XC skills or help educate young horses by giving them a wide variety of obstacles that are small enough to trot over. Entries are on the day so if your first class goes well (and we sincerely hope it does) then you can always enter a slightly bigger one with a £5.00 discount on the entry fee - or even repeat the one you have just done HC.

There is an all weather enclosed school which you are welcome to use to lunge or get on youngsters that may be finding life away from home a little too exciting!

Class 1 starts at 10 am.
